Spacedesign: A **mixed reality** workspace for aesthetic **industrial** design
M Fiorentino, R de Amicis, G Monno, ... - ... and Augmented **Reality** ..., 2002 - ieeexplore.ieee.org
... state of the art is not specifically developed for a proper **industrial** use, because it ... possibilities
offered by Augmented **Reality** in strong conjunction with interaction in **Virtual Reality** for free ...
Proceedings of the International Symposium on **Mixed** and Augmented **Reality** (ISMAR'02) 0 ...
Cited by 63 - Related articles - All 7 versions

[PDF] Augmented **reality**: A class of displays on the **reality**-virtuality continuum   psu.edu [PDF]
P Milgram, H Takemura, A Utsumi, F Kishino · SPIE 2351-34 (..., 1994 - Citeseer
... during the first author's 1993-94 research leave from the **Industrial** Engineering Department ... RV)
continuum, which ranges from completely real environments to completely **virtual** environments,
and encompasses a large class of displays which we term "**Mixed Reality**" (MR). ...

Virtual environments applications and applied ergonomics   nthu.edu.tw [PDF]
JR Wilson - Applied Ergonomics, 1999 - Elsevier
... and application pull, with de- velopment directed towards providing what is actually required
by the potentially large **industrial**, educational and ... A taxonomy of **mixed reality** visual displays. ...
Factors influencing spatial awareness and orienta- tion in desktop **virtual** environments. ...
Cited by 60 - Related articles - BL Direct - All 6 versions

[PDF] An augmented **reality** system for training and assistance to maintenance in the **industrial** context   psu.edu [PDF]
B Schwald, B De Laval - Journal of WSCG, 2003 - Citeseer
... Proceedings of ISMAR 2002 – International Symposium on **Mixed** and Augmented **Reality**, pp.
261-262, 2002. ... IWAR, 98 - 1rst International Workshop on Augmented **Reality**. ... **Virtual**
Environments 99, Proceedings of the Eurographics Workshop, Vienna, 1999. ...
Cited by 40 - Related articles - View as HTML - All 10 versions

Mixed reality training application for an oil refinery: user requirements   psu.edu [PDF]
M Träskbäack, M Haller - ... international conference on **Virtual Reality** ..., 2004 - portal.acm.org
... Graphics, **virtual** information from ... 6 Conclusions and Discussion When developing **mixed reality**
applications for a safety- critical large outdoor **industrial** environment, there are several
requirements that need to take into account addition to the basic user requirements. ...
